FDA vs 23andMe How do we want genetic testing to be

November 25th, 2013 - I guess I wasn't clear about this I DO NOT think the FDA should regulate every statement made by 23andme That would never work Rather I think there need to be some general standards for how to report information in the literature to patients that capture both the current state of our understanding and what we do not know 23andme has tried to do this all along and I don't think they

DeadAtNoon

February 17th, 2019 - August 18 2014 " I will take my life today around noon It is time Dementia is taking its toll and I have nearly lost myself I have nearly lost me Jonathan the straightest and brightest of men will be at my side as a loving witness
